This is a 1 owner vessel and was custom built to his specifications. She was originally a 105 foot vessel but the owner had them head off the mold at the stern and changed the length on deck to 70 feet while keeping the 20 foot beam. According to the captain she cruises at 12.5 knots at 1450 rpm burning 30 gph. Equipped with Naiad Stabilizers gives you a comfortable ride. Hydraulic steering at 3 stations. 10 scoop bait tank, freezer fish hole. 800GPD water maker. Heat and air throughout. Kitchen and bathrooms just remodeled with new granite counter tops. New Stainless Steel appliances in the galley. The Old Girl has gotten a face lift and you need to check her out. Boat was just hauled in December 2018 and the bottom was painted. Boat was surveyed at that time and is on the market well below the fair market value that was placed on the boat. Listing agent must be on board to show
