## 105' CMN Catamaran Catamaran

Location: Unknown

105' CMN Catamaran

**Listing Number:** IYBA-2710087

**Price:** \$ 2,500,000

**Broker:** Denison Yacht Sales  
850 NE 3rd Street, Suite 205  
Dania Beach, FL  
954-763-3971

**LOA:** 105' 0"

**Beam (ft):** 47'

**Min. Draft (ft):** 7'

**Max. Draft (ft):** 10'

**Model Year:** 2003

**Model Name:** Catamaran

**Hull Material:** Composite

**Cruise Speed (mph):** 10

**Max. Speed (mph):** 16

**Cruising Range:** 1000

**Designer:** Chenus Presles & Associates

**Fuel Type:** Diesel

**Engine Horsepower (hp):** 454.0 hp

**No. of Engines:** 2

**Engine Mfg. Year:** 2014

**Engine Manufacturer:** Caterpillar

**Engine Model:** C7

**Engine Hours:** 2287

**Engine Description:** Sail

NECKER BELLE (Ex Lady Barbaretta) was built in 2003 at the CMN Shipyard in Cherbourg France. At the time of her launch she was the largest performance sailing Catamaran ever built. In 2009 NECKER BELLE completed a two-year major refit in Australia. The interior received a complete interior build-out with the addition of a fourth stateroom and the exterior upper deck was modified to achieve more deck space. Many other improvements have been made over the last few years including the installation of two brand new Caterpillar C7 main engines in 2014.

NECKER BELLE was designed to maximize fun, with a spacious trampoline, a diving board and a unique crow's nest that lifts guests to the top of the mast. Whether you're an adrenaline seeker into sailing, scuba diving, paddle boarding and game fishing or just into some serious sun tanning action then NECKER BELLE is the yacht for you!

Great sailing performance combined with beach club styling and a carefully conceived layout to create a versatile living space for up to 10 guests. NECKER BELLE's interior is spacious and contemporary with bamboo wood flooring and accent lighting in all the right places. Guests are accommodated in four cabins, with a master suite, a double cabin and two double/twin convertible cabins. A double sofa bed can be made up in the main saloon to provide a further two berths if required.

**No tender/RIB or Jetskis are included in the sale of the vessel.**

## **Basic Specifications**

Type: Catamaran  
Builder: CMN  
Year: 2003  
LOA: 105.00' / 32.00m  
Beam: 47.50' / 14.45m  
Min. Draft: 7.00' / 2.13m  
Max Draft: 10.50' / 3.17m  
Hull Material: Composite  
Flag: Isle of Man  
Main Engines: Caterpillar C7 454hp, 2014  
Max Speed: 16 Knots  
Cruising Speed: 10 Knots  
Range: 1,000 nm  
Electrical: 240 volts  
Gross Tonnage: 171 tons  
Guest Accommodations: Sleeps 10 in 4 staterooms  
Crew Accommodations: Sleeps 7 in 5 cabins, Captain's cabin

## **General**

NECKER BELLE (ex Lady Barbaretta) was built in 2003 at the CMN Shipyard in Cherbourg France. At the time of her launch, she was the largest performance sailing Catamaran ever built. In 2009 NECKER BELLE completed a two-year major refit in Australia that was managed by Azzure Marine. The interior received a complete interior build-out and the exterior upper deck was modified to achieve more deck space. Many other improvements have been made over the last few years including the installation of two brand new Caterpillar C7 main engines in 2014.

NECKER BELLE was designed to maximize fun, with a spacious trampoline, a diving board and a unique crow's nest that lifts guests to the top of the mast. NECKER BELLE can accommodate various guest's interests whether you're into sailing, scuba diving, paddle boarding or game fishing. The sailing performance combined with beach club styling and a carefully conceived layout to creates a versatile living space for up to 10 guests. The yacht's interior is spacious and contemporary with bamboo wood flooring and accent lighting in all the right places. Guests are accommodated in four cabins, with a master suite, a double cabin, and two double/twin convertible cabins. A double sofa bed can be converted in the main saloon to provide a further two berths if required.

## **Main Salon**

As you enter the salon from the aft deck you'll find the bar to your left and the main salon seating area to your right. Featuring a large L-shaped sofa and additional seating this is a comfortable area to sit and relax before adjourning to your cabin (which are all on the main deck).

## **Accommodations**

All accommodations are directly off the main salon on the bridge deck. A unique feature which allows for ocean views from the cabins, all of which feature en-suite heads. Separated into port and starboard cabins, a center hallway separates the port side VIP cabins and on the starboard side Master and guest cabins for a total of four cabins accommodating 8 guests.

## **Master Stateroom**

The Master suite offers stunning views of the ocean through large windows along the starboard side. There is ample storage space along with a queen size bed, en-suite head with double basin and shower. A 52-inch TV, DVD player, and sound system provide entertainment. You can also connect your smartphone or tablet to include your personal music choices.

### **VIP Stateroom**

The two portside VIP cabins feature beds that can be arranged as twin or easily made into a queen. Both VIPs feature 26-inch TVs with DVD and personal sound systems. They also have en-suite heads and showers.

### **Starboard Guest Stateroom**

The starboard side forward cabin is a double cabin with double berth. This cabin also offers its own 26-inch TV, DVD and sound system.

All guest accommodations feature individual air conditioning units added comfort.

### **Salon Conversion**

The salon area can also be converted to accommodate an additional two people by converting the couch to a queen bed. This area features a privacy screen and separate head and shower.

### **Flybridge**

The flybridge can be entered up integrated ladders but is typically accessed via the stairs at the forward end of the main salon. The stairway leads right into the main sitting area which easily accommodates 20 or more people. This area can be set up for alfresco dining or can be enjoyed as a large outdoor lounge by lowering the center table and using the cushions to fill the entire area. This is an entertainment area that features custom awnings to keep you protected from the sun during the day and allows for stargazing at night. Just aft of the sitting area are the two main helm stations and sail control centers where the captain can use the hydraulic sail management systems. For the adventurous type, there is a diving board on the aft end.

### **Galley**

You enter the port hull through the aft service entrance from the bar/service area and immediately enter the efficient stainless-steel gourmet galley. Appliances for the chef include a Miele ceramic induction cooktop, (2) Miele wall ovens, (3) custom made Utec refrigerators and freezers with plenty of storage, a double stainless-steel sink as well as a commercial dishwasher.

### **Crew Quarters**

As you move forward through the port hull you enter the crew mess and then the chef's cabin. Moving forward is the shared head and shower space which also separates the chef's and stew's cabin which has accommodations for two additional crew members.

### **Storage**

Moving forward you will enter the storage areas and workshop with an impressive inventory of spares and tools. All dive gear and equipment is stored in this area.

### **Aft Deck**

As you enter the yacht from the passerelle, day beds to the outboard of two large dining tables allow guests to comfortably rest outdoors under the shade of the aft deck during the day or sleep under the stars at night. The main entertaining area includes two large tables with seating for 16 people make for comfortable outdoor dining accommodations. Also included are the wine cooler refrigerators and

concealed swim platforms. If you're returning aboard from the water you'll have an easy entry from either hull and freshwater showers built into the overhead. There is also a projection screen for viewing movies on the aft deck.

### **Crow's Nest**

No adventure aboard "Necker Belle" would be complete without a ride up in the crow's nest. Built for two people to ride-up and enjoy breathtaking views from over 100 feet above the ocean. Controlled via wireless remote, ride past the second set of spreaders and take in the surroundings.

### **Main Machinery and Equipment**

Main Engines: (2) Caterpillar C7 454hp  
Port Hours: 2,800 (June 2017)  
Starboard Hours: 2,800 (June 2017)  
Propellers: 4-blade  
Drive: Sail drive  
Generators: (2) Cummins MDDCG (spec A-C) 62.5kW  
Port Hours: 6,800 (June 2017)  
Starboard Hours: 6,800 (June 2017)  
Fuel Capacity: 2,000 Gallons  
Water Capacity: 900 Gallons  
Air Conditioning: Webasto  
Sea Water Pump: PME1000X 240V Sea water pump and relay box with 3 triggers  
Toilet System: Headhunter Royal Flush, espresso model (installed 2016)  
Navigation and Communication Systems  
Navigation Systems  
Radar: Furuno 100 mile  
Magnetic Compass: Cassens & Plath  
Auto Pilot: Simrad AP70  
Wind Indicator Station: B&G Hercules 2000  
Navigation Center: Samsung SyncMaster 943BW

### **Sails and Rigging**

Rig: Sloop  
Main Sail: Quantum 295 square meters  
Genoa: Quantum 197 square meters  
Fully battened mainsail  
Gennaker/Cruising spinnaker  
Furling genoa  
Storm jib  
Asymmetric spinnaker

### **Galley and Laundry Equipment**

#### **GALLEY AND LAUNDRY EQUIPMENT**

Main Galley Equipment  
Cooking Equipment: Miele DA 2270 cooker hood  
Miele 5735/5738 ceramic induction cooktop  
(2) Miele convection wall ovens  
Microwave: Multistar microwave oven MW3051000GSH  
Ice-maker: Scottsman ACM 56-AC  
Wine cooler: Isotherm wine fridge MOD Divino35 (Aft Deck), Fisher & Paykel model F120 (Bar & Galley)  
Additional Items: Robot Coupe Musso Ice-cream machine

Laundry Equipment
