Cruise Speed (mph): 8.00 knots

Max. Speed (mph): 10.00 knots

Fuel Tank Capacity (gal): 4500 gallons

Water Tank Capacity (gal): 400 gallons

Engine Horsepower (hp): 530.0 hp

No. of Engines: 2

65' Bering Pilothouse Trawler NAMASTE is hull #3 and is the best of the Bering Yachts' fleet. Namaste has been lovingly maintained and cruised by her original owner who used his extensive commercial maritime background in equipping and outfitting this world cruising explorer yacht. Namaste was launched from the Bering yard in China in December 2013. The owner began his world cruising from there going to the Philippines, Malaysia, Indonesia and spent one year in Australia. Namaste was then shipped to Florida where she began new journeys island hopping in the Caribbean.

M/V Namaste offers twin John Deere engines with a fuel consumption of 8gph, a range of 5,000+ nm, extensive electronics, and exceptional redundancies. Three (3) staterooms, all with ensuite heads, plus crew quarters. You will not find a yacht in this size range that offers more volume, stowage, and amenities. Her interior space and exterior usability offer what you would find on an 80' yacht. Truly, a must see to believe yacht.

M/V Namaste is in excellent condition and offers incredible live-aboard space and amenities while enjoying the world in a safe and secure yacht. She is CE certified, Class A, all oceans.

Overview

Entry is from either the weathertight door from the aft deck or the port or starboard weathertight pilothouse doors. Entry from the aft deck leads to a spacious salon. Forward and up a few stairs is a large gourmet galley.

Foremost is the pilothouse with extensive electronics and guest seating. From the salon centerline is a companionway that leads to the oversized master stateroom forward and VIP staterooms port and starboard each with ensuite head. Engine room access is through a watertight door. Interior soles are mahogany; interior paneling is pear wood. Access to the flybridge is from the aft deck.

Salon

Entry to the salon from the aft deck shows an expansive area for comfortable seating, leisurely lounging, dining, and all round yacht entertainment.

- L-shaped leather sofa with storage below
- Settee
- Dining/coffee table
- Built-in wine rack
- Built-in 50" LCD TV
- Entertainment center
- Generous storage
- Courtesy lighting in furniture kicks
- Soffit louvers for indirect light and air conditioning
- Upholstered ceiling panels w/ LED lighting
- Windows 19mm thick laminated tempered glass
- Stairs to galley & pilothouse
- Stairs to lower deck
- Weathertight French door to aft deck

Galley

The full beam U-shaped galley is comparable to the finest gourmet galleys in a residential setting while giving convenient access to both the pilothouse and the guests in the salon. Diamond Seaglaze door that allows for separation of pilothouse from galley for night passages. Retractable electric partition may be used to separate galley from salon. Ergonomically convenient for safe cooking at sea whether for food prep or service. Generous stowage and numerous conveniences. Wood cabinets with flush positive locking handles. Stainless steel drawer bodies with coved inner corner. Self-closing hidden drawer slides. Pantry lockers with slide out storage shelves. Granite counter tops. A 2nd full-size refrigerator is in the companionway before the engine room door.

- Jenn-Air 4 burner ceramic electric cooktop
- Jenn-Air microwave/convection
- Jenn-Air refrigerator/icemaker
- Jenn-Air dishwasher
- Broan trash compactor
- Wine cooler
- Water filter for cold and boiled water
- Large stainless steel sinks

Pilothouse

The pilothouse offers excellent visibility. The custom navigation console

provides easy reach access to equipment and navigation controls.
Comfortable L-shaped settee for guests for pilothouse socializing with fixed teak table.

- SS destroyer type steering wheel
- LleBroc LX2 helm chair
- Electrical panel 230 AC
- Electrical panel 24 VDC and 12 VDC
- Twin windlass controls
- Bow and stern thrusters controls
- Ship monitoring system
- Three Victron charger indicators/controls
- Victron inverters indicator
- Two Victron battery monitors
- Generator control display with start/stop function
- Wipers controls and defrost fans
- Chart reading lights, chart drawers
- Searchlight with remote control
- Port and starboard weathertight Dutch doors

Electronics

The best of electronics were selected for world passagemaking in all conditions.

- Furuno Radar FAR2127BB
- Furuno Radar FAR2117BB
- (2) with 6'5 antenna XN20AF,
