GRAND DUKE - World class sportfish used as a shadow boat for a Feadship. Fished less than 20 times. Pristine condition. Over \$400,000 worth of customized features in 2016.

Notable Options: Seakeeper 2600 Gyro Stabilizer, Palm Beach Towers Full Tuna Tower, Tournament Rigged for Fishing, Custom Majestic Blue Hull with Vivid Red Boot Stripe painted in Awlcraft 2000, Teak Cockpit & Mezzanine, Water Maker, Performance Package, (2) 27.5kw Onan Generators, MTU 16V2000 M94 2600hp Engines with only 1797 hrs (as of June 2018), A/Sea Shore Power Converter

Overview

GRAND DUKE – World Class Sportfish

GRAND DUKE was purchased by an experienced yachtsman specifically to serve as the chase boat to his Feadship as it traveled the world. Always maintained to the highest standard by a profession captain & crew, GRAND DUKE has been fished less than 20 times and remains in pristine condition.

GRAND DUKE benefitted from significant upgrades in 2016 when the current owner purchased the vessel. A custom Palm Beach Tower was added, bow rail & pulpit, and A/Sea shore power converter installed assuring she can plug in to shore power anywhere in the world making her a true global cruiser. Her hull was painted a timeless Midnight Blue with Vivid Red boot stripe which really makes her stand out versus the competition.

Key features onboard include SeaKeeper gyro stabilizer, teak cockpit sole & mezzanine, Viking Performance Package, Cruisair 'cool breeze' mezzanine air system, 1400 GPD watermaker, bow thruster, black mask, additional fuel tank (3 total), Eskimo crushed ice machine, crew access door from the engine room, upgraded MTU 2600hp M94 engines & twin 27.5kw Onan generators.

Other yacht quality options include Head Hunter head system, oil change system with cockpit fittings, Glendenning cable masters, Gost PM-mini ball cameras, FLIR M625L, Furuno & ICOM navigation package.

GRAND DUKE is also tournament rigged for fishing featuring Rupp hydraulic outriggers, Release Marine Trillion series fighting chair, electric teaser reels, transom door, transom fish box, live well and outlets in the cockpit for electric reels, cockpit freezer with bait trays, and large fishboxes in deck. The day head is also located just inside the salon assuring ease of access for those who don't want to miss any of the fishing action taking place.

GRAND DUKE is one of the highest specification 70 Viking Enclosed Bridge ever built.
