Additional Pilot Berths in Companionway Leading Aft - and Pull Out in Salon

High Quality Build with "Yacht Like" Interior Woodwork and Joinery

Many recent upgrades - see full specs

The Amel Super Maramu 53 is an ideal layout for long range cruising. With the cockpit in the center of the boat (most stable part of the boat), the layout allows for easy access to the galley and salon forward of the cockpit and easy access into the master cabin aft of the cockpit.

This vessel has recently completed a near circumnavigation. She was built to the highest standards by an old world company, and well designed for her intended purpose, and is now available for her next discriminating owner.

VESSEL WALK THROUGH

Vessel has the same functional layout for which all Amel Super Maramus are known. Starting forward the guest stateroom features a V-berth with filler/insert creating a large double berth. There is a locker and drawer storage outboard port and starboard. Next aft to port is the

enclosed head with washbasin vanity and opposite to starboard a large hanging locker and storage area. The main salon features a U-shaped dinette with table that seats six comfortably and a locker and drawer storage outboard. Opposite to starboard is a pullman style settee berth that converts to an excellent sea berth and additional bookshelves and entertainment center. The galley next aft to port, is U-shaped with abundant counter space, double sink, gimballed stove/oven, numerous locker and drawer storage, convenient to cockpit, comfortable and safe at sea. Opposite to starboard is the large navigation station with all navigation instrumentation, book storage, chart table and wet locker. Continuing aft through the starboard passageway is a large pilot berth outboard with ships batteries in sealed compartment below. The private owner's stateroom is aft with a large head with shower to port. A large double berth is to port, sitting area to starboard, an additional deck hatch directly over the berth provides increased ventilation. All living areas have opening hatches and ports, 24vdc lighting, 220v ac outlets, all berths have proper lee boards for comfortable safe accommodations at sea, watertight bulkheads, locker and drawer storage throughout. Fold up desk forward and aft cabin

- **Plastimo Foul Weather Jackets (4)**
- **Fire Extinguishers (Qty 5)**
- **Two Closets Filled With First Aid Supplies (Nearly Enough for an operation!)**

Spares

AUTOPILOT

- **Compete spare electric autopilot**
- **Maintenance kit for cylinder LECOMBE & SMCHITT)**
- **1 Gyrocompass**
- **2 sensors for the rudder angle**
- **1 CALCULATOR AUTOHELM**

ENGINE VOLVO

- **Raw Water Pump**
- **Fuel Feed Pump Repair Kit and Unit Removed in 2018**
- **Fresh Water Pump**
- **Exhaust Elbow**
- **20 fan belts**
- **3 Oil Filters**
- **2 Fuel Filters**
- **Many Impellers**
- **Various Gaskets**
- **Numerous other parts**

ONAN GENSET

- **Heat exchanger**
- **Start Switch'**
- **Solenoid**
- **Several Rudder, Onan, and MaxProp Anodes**

- Lots of 316 SS hose connection clamps
- Fresh Water Pump
- Oil Filters, Fuel Filters, Impellers, Fan Belts

WINDLASS

- Chain pulley
- Repair Kit

BOW THRUSTER

- 4 spare propellers
- Bearing and seals

ELECTRICS

- Circuit breakers
- Fuses
- Light Bulbs
- Relays
- Regulators

WATERMAKER

- Salinity sensor
- 4 Filters

ROPE

- 2,050 Feet (611 Meters)
- From 5 Meters to 43 Meters
- Nylon 3 Strand and Braided

MISCELLANEOUS

- Thousands of screws, nuts, washers, and bolts
- There are too many spares to mention

TOOLS
