FRESHWATER / GREAT LAKES BOAT SINCE NEW!

Manufacturer Provided Description

The Cruisers 3372 Express captures the true essence of getting away from it all with her smooth, precise handling, spacious layout that can sleep six, and bountiful array of cruising amenities. Topside, the 3372's well-thought-out cockpit arrangement includes generous wrap-around seating and a convertible table / sunlounge. The wetbar, cockpit shower, and available cockpit refrigerator or ice maker will guarantee many delightful summer afternoons entertaining dockside or enjoying rest and relaxation on the water. The ergonomically designed helm features conveniently located controls and instrumentation, as well as room for additional electronics, and the comfortable double helm seat will mean a smooth ride for both captain and co-captain. Below deck, the 3372 Express is equally impressive. Carefully placed hatches allow plenty of natural light to bathe the interior, which includes a convertible dinette / double berth, a spacious double forward berth with privacy curtain, and ample storage throughout. If desired, a bulkhead and door are available to fully enclose the forward stateroom area. The full-service galley, located just to port of the companionway, includes all the comforts of home: a large refrigerator / freezer, a microwave, and a double-burner electric stove. To accommodate overnight guests, the 3372 boasts a comfortable double berth located amidships to starboard of the companionway. Owners may also select an available settee that easily converts into a double berth should the need arise. These accommodations include a curtain to ensure additional onboard privacy for guests. This yacht will also be an outstanding performer. She features large fuel, water and waste capacities, and she is available with a full range of inboard V-drive and stern drive gas and diesel engines.
