This 3 cabin owners version has been cared for since new by her one owner. Spending extended time aboard cruising the owner has already fitted her with everything you'll need to enjoy the Bahamas or Keys or any other destination that fulfills your fantasy. A dive compressor, 20kW generator, water maker and 2 large Frigobar deep freezers are all part of the package. Load up with food and fuel, and you're ready to go!

Manufacturer's Description:

The Leopard 51 Powercat brings with it a multitude of exciting features, including a sleek design, a large forward cockpit, additional lounging areas, an expansive flybridge and a completely redesigned interior upgraded with modern appliances.

Drawing upon the success of previous Leopard powercats, this economically efficient catamaran uses less fuel than other power models. She also incorporates a brilliant ergonomic layout that makes maneuvering around your yacht comfortable and easy.

This yacht also boasts a large and open saloon, a galley with the latest appliances, and a 3 cabin layout with en-suite heads. The Leopard 51 Powercat combines the best from our sailing fleet with the luxury and ease of a power yacht.
