**his 1995 55' Neptunus Fly Bridge Motor Yacht shows amazingly considering the year of the vessel. It is hard to believe it's a 1995. She has had multiple upgrades over the last few years and maintained above and beyond factory recommendations. This yacht shows very well, especially where it counts. All mechanical equipment is in very well maintained condition. She has spacious room throughout and a great amount of storage. The engine room and lazarette is spacious and very clean.**
