No. of Engines: 2

The price has been lowered again. At this price this boat is an incredible deal. This is not some trashed out boat that needs tons of work. It is a very decent condition boat that needs a new owner so the current owner can move up. A recent survey placed its value more than \$25k higher.

Price reduced 9/23/19!

The seller wants this boat to be the next 48 foot 3 cabin boat sold. He has found his next boat and is ready to deal.

Jefferson is known for its quality and comforts. You'll not find a boat with more truly usable storage space. The exterior living accommodations includes a large sundeck with hard top and a very large flying bridge with seating for eight. The interior offers an unusually large salon and galley up arrangement, A full beam master aft cabin with in-suite head and stall shower, Bunk berths to starboard and a queen sized guest berth forward. Maybe the best part is the engine room which is very spacious. You can

get to every service area with ease. You can even get to the outside of the engines! This boat, when operated at 8.25 knots will burn 4.4 GPH (1.8 MPG).

Here is a great opportunity to own a quality three cabin motor yacht for a very reasonable price.

Fresh Awlgrip on the decks and deck house 1/2019.

She is a great live aboard and capable of doing the Bahamas or the Great Loop. You set the goals and she will do the rest.

Interior Accommodations

Entry is through a door located to port. Down five steps into the salon with large opening windows port and starboard. There are storage cabinets port, starboard and aft. An L-shaped leather sleeper sofa aft to starboard with a cocktail table. Forward to port is an L-shaped dinette with beige fabric. To starboard and forward is the spacious galley. Going down four steps forward is a hallway leading to the guest cabin. Upon descending the stairs is a walk in pantry to port with numerous shelves. Across the hall is a guest cabin with upper and lower bunk style berths. Further forward to port is the hall entry to the day/guest head. Forward of there is the guest cabin. Aft of the salon and down five stairs is the master suite. All interior finish is satin varnished maple. All soles are maple. Headliners are vinyl.
