Listing Number: IYBA-2768446

Price: Was Listed At: \$ 549,000

Broker: Bluewater Yacht Sales
100 Keel Street
Wrightsville Beach, NC
(910) 256-6643

LOA: 40'

Beam (ft): 15'

Max. Draft (ft): 3'

Model Year: 2013

Model Name: 40 HTX

Hull Material: Fiberglass

Fuel Type: Diesel

Engine Horsepower (hp): 600.0 hp

No. of Engines: 2

Engine Mfg. Year: 2013

Engine Manufacturer: Cummins

Engine Model: QSC8.3 Zeus Pods

Engine Hours: 600.

Ghost is a must see for the 40 CABO buyer. Fresh to market, this one owner 40 Cabo is in mint condition inside and out and never fished. With under 600hrs of private recreational use, Ghost has been maintained by a fastidious owner with an open check book. Boat has been indoor stored for the winter months since purchased and has just recently been made ready for the summer season. Change in owners plans brings her to market so act now if you'd like a turn key 40 CABO.

FEATURES

- 12KW Onan generator
- Queen berth master in bow
- Enclosed head with shower
- Teak and holly flooring
- Undercounter draw refrigerator/freezer
- Fresh and saltwater wash down cockpit freezer
- Soft aft enclosure
- 3 Garmin 8215 glass screens GPS, RADAR and SOUNDER
- Garmin HD Radar with open array antenna
- Flir 360 night vision
- Antenna mast
- Windlass
- 3 Wipers
- Mezzanine style cockpit seating

- Bow rail and pulpit
- 2 Stidd helm chairs
- Bridge deck AC
- Rocket launcher
- Transom box
- In deck fish box
- Cockpit coaming pads
- Salon LED TV
- Microwave
- Shore power 50 amp with converter

OPTIONS

- Teak and holly sole
- Sheet Package Cotton
- Interior Bose 3-2-1 system
- Cockpit freezer
- A/C - 24,000 BTU, helm
- Aux, 12V DC dist panel for electronics
- Matching Helm companion chair, stbd cabinet
- Helm deck - matching port companion chair
- Helm deck - express stereo - 4 speakers
- Helm deck refrigerator in stbd helm cabinet
- Mech oil change system, mains & generator
- Cockpit - hot & cold handheld shower

HULL

The hull is laid up using vacuum-bagging to assure hull strength, and bonds the running bottom and reinforced fiberglass interior module into one monolithic structure, ensuring greater resistance to torsion and flexure. You'll find precision throughout, for example, pay particular attention to the screw heads, they are flat-head, straight-slotted bolts offset for optimum holding and oriented to the same exact angle. Cabo uses 316 stainless steel hardware that provides a higher nickel content resulting in superior corrosion resistance and longer lasting strength, reliability and good looks.

- Boot stripe - Optional mid-night blue T5200
- Bottom paint, Black, complete preparation ? 2 coats epoxy, 2 coats anti-fouling paint
- Molded fiberglass construction using premium vinyl ester resins and biaxial stitched fabric reinforcement
- Solid fiberglass bottom construction
- core construction from chine to sheer
- ISO/NPG gelcoat finish
- Stainless steel rub strip on face of white high-density PVC rub rail
- Trim tabs, fully recessed

DECK

- Anchor roller assembly, recessed, custom stainless steel
- Forward mooring cleats, (2), stainless
- Spring line cleats
- Stern cleats (2)
- Stern Halse, Pipes
- Bow pulpit, integral molded fiberglass
- Custom deck rails, aluminum
- Deck surface, molded-in, non-skid
- Molded fiberglass using polyester resin, biaxial stitched fabric reinforcement and core construction
- Premium quality molded-in, white gelcoat exterior finish
- Windlass, heavy-duty, DC electric, remote at helm and deck switches
- Windshield wipers (3), self-parking with pantograph arms, intermittent and separate

- controls
- Windshield washer, (3) freshwater supplied

COCKPIT

Careful thought goes into the placement of every element in the cockpit, especially essentials such as bait tanks; livewells, bait prep centers, and tackle storage. Insulated fish boxes are molded into the sole and equipped with in-line macerators, full-length piano hinges, and doors that seal tightly against rubber gaskets. If owners choose, the boxes can also be equipped with optional icemakers and/or refrigeration plates.

Storage throughout the cockpit is abundant, leaving the area clean and free of obstructions when reeling in a fish. Lures and rigging equipment are neatly organized in custom-built tackle centers.

The outward-opening transom door and top gate operate independently, providing safety for the angler and crew while bringing large fish aboard. Padded bolsters ring the cockpit for extra comfort and security when using a stand-up rig. An aluminum reinforcing plate installed in the deck for mounting a fighting chair goes a long way to helping you haul in the tournament-winning fish.

The cockpit features a mezzanine seat to easily watch the baits out of the way of the action.

- Aluminum reinforcing plate installed for mounting fighting chair
- Bait prep center - sink, rigging board and tackle storage fitted with custom lid, gas spring, full-length stainless steel piano hinge and custom latch.
- Bait tank, 48-gallon, molded into transom with large overboard drain and LED lighting
- Courtesy lighting under gunwales and helm deck toe kick
- Mezzanine Seating
- Fish boxes (2), large capacity, insulated, macerator pump-out system
- Gunwale padding, high-density foam, white vinyl covered
- Hatches, lazarette and fish boxes, heavyduty, gasketed, drains, gutters, full-length stainless steel piano hinge and custom latch
- Hose and pistol-grip nozzle
- Icebox, starboard, fitted with gasketed lid, gas spring actuator, full-length stainless steel piano hinge and custom latch
- Rod-gaff racks, port and starboard
- Rod holders (4)
- Scuppers, self-bailing
- Transom door with top gate, extreme duty, polished stainless steel hardware
- Washdowns, fresh-and saltwater

HELM DECK

This boat showcases the latest in integrated hardtop designs with a forward integrated windshield and side windows that open for air flow, and for comfort the boat has air conditioning. This boat features three forward facing helm seats along with an I-shaped seating aft, icemaker, storage and drink cooler.

Helm Deck

- Companionway door, sliding, opaque with white acrylic
- Helm chair, premium, pedestal-mounted
- Optional starboard and port helm seats
- Helm console, integrally molded
- L-shape lounge, port, rod storage beneath
- Molded fiberglass helm deck, hydraulically-lifted with cockpit control unit
- Tackle center with drawers for gear storage and organization
- A/C Helm
- Icemaker
- Insulated drink Box

- Compass, with light, flush-mounted
- Electric control, single lever, console-mounted
- Engine instrument panel, complete custom with audible warning system and hour meters
- Fire and bilge water level alarms, audible Helm wheel, stainless steel
- Navigation and electronic panel
- Switch panels, custom, stainless steel

Integrated Hardtop

- Tri-color LED lighting
- Ventilation hatch
- Recessed electric teaser real mount
- Storage compartments
- LED spreader lights
- Vented windows, port and starboard

ENGINE ROOM AND MECHANICAL

Because safety and reliability are key areas of concern for owners, our fuel lines are fire-retardant, aircraft-grade braided stainless steel and our wiring is marine-grade tinned copper to resist corrosion. To prevent chafing, all plumbing and wiring that run through bulkheads are protected with polymer or high-grade solid rubber grommets.

The engine room is completely finished in white gelcoat or linear polyurethane paint for simple cleanup. AC or DC lighting illuminates maintenance jobs, and on larger models, ventilation fans keep the space cool. Simply put, engine rooms as organized and detailed as these can only be the result of skilled designers who strive for nothing less than total customer satisfaction. Bilge, white gelcoat finish

- Bilge, white gelcoat finish
- Bilge pumps (5), three automatic/manual, two automatic
- Double constant torque stainless steel clamps on engine exhaust hoses
- Double hose clamps on all hose fittings, stainless steel
- Electronic controls with trolling valves, engine synchronizer and back up controls
- Emergency bilge pump diverter valve on one main engine
- Engine alarm system
- Engine room liner, white gelcoat finished
- Engine room blowers (2), DC
- Fire extinguishing system, manual/automatic
- Freshwater cooling, on main engines
- Fuel filters with water separators on main engines and generator, large capacity
- Fuel lines, metal braided, fire-retardant
- Fuel tank, fiberglass, fire-retardant vinylester resin
- Helm deck lift system, hydraulic, marine grade
- High water bilge alarms (3)
- Holding tank, 22-gal., with monitor, macerator and dockside discharge
- Hose sleeves, braided, on all nylon hydraulic steering lines
- Mufflers, fiberglass with backwash surge tube
- Oil change system, mains and generator
- Propeller shafts, double taper, couplers, high-strength stainless steel
- Propellers, 4-blade Nibral
- Power steering
- Rudders, bronze, high-strength, with high load bearings (low friction, precise control)
- Sea cocks, UL approved for marine application bronze, fitted on all thru-hulls below waterline
- Stuffing boxes, drip-less lip seal type
- Water heater, 11-gallon, AC, stainless steel
- Water intake scoops, bronze, highspeed, with integral seawater strainers

ELECTRICAL

10-K W freshwater-cooled diesel generator with seawater strainers remote start and digital panel, water muffler, safety shut down system, soft sound enclosure

- 50' shore power cord with retractable Glendinning Cable Master, 220V, 50-amp
- Battery charger, automatic with thermal cut out
- Battery on/off switches, vapor-proof
- Battery paralleling, automatic, with manual switch at helm
- Bonding system with transom zinc plate
- Circuit breaker protection throughout
- Distribution panel, custom, AC/DC electrical, with line voltage and load meters
- Electronic supply at helm, 12-V DC at 50 amps
- Horn, dual air trumpet - uninstalled
- Lights, engine room, DC
- Lights, interior, DC
- Lights, navigation, international, uninstalled for future mounting on arch, hardtop or tower
- Receptacles throughout cabin, GFI protected
- Batteries heavy duty
- A/C/heating, 17,000 BTU

INTERIOR

The interior of a CABO speaks volumes about Cabo's commitment to excellence. Teak is used throughout the boat, and to ensure consistency and continuity, each individual element is milled in-house and stored in a temperature and humidity-controlled environment during the construction process. The woodwork is sanded, applied with multiple coats of marine varnish, and then buffed to a beautiful satin finish.

- AC duplex outlets/GFI protected
- Access hatch to below deck equipment
- Air conditioning /heating 10,000 BTU
- Carpet, removable, deep-pile
- Deck hatches, retractable shades (2)
- Fabrics and coverings, fine selection throughout
- Interior wood, teak, satin finish
- Latches, positive, cabinet doors and drawers
- L-shaped lounge converts to upper and lower sleeping berths
- Lighting, recessed halogen
- TV, LED, flat screen, built-in
- Stereo AM/FM/CD/DVD, (2) speakers

GALLEY

The galley is impressively equipped and beautiful and you'll be very impressed as this boat features wood cabinets in lieu of fiberglass, to provide that finished look. Polished Corian countertops, spacious stainless steel drawer style refrigerator/freezer, twin-burner cook top, molded-in sink, and microwave/convection oven make cooking aboard a CABO enjoyable. The teak cabinetry uses positive-latching cabinet hardware prevents doors from opening in rough seas, while hinges are designed to keep doors ajar until you close them.

- AC duplex outlet/GFI protected
- Cook top, ceramic, two-burner, recessed with Corian® cover
- Solid Surface countertop
- Latches, positive, cabinet doors and drawers
- Microwave/convection oven
- Refrigerator/freezer, AC/DC
- Sink, molded-in
- Storage, compartments and drawers throughout
- Under cabinet lighting, recessed halogen

STATEROOM AND HEAD

The stateroom combines warm woodwork with designer fabrics, creating a soothing, restful retreat. Hanging lockers are cedar-lined, and additional storage beneath berths, under settees,

and behind bulkheads is easily accessed.

- AC duplex outlet/GFI protected
- Access to anchor rope/chain locker
- Berth, double, island-style, 5" mattress, bunkcover
- Foredeck hatch, with screen and sun shade
- Latches, positive, cabinet doors and drawers
- Lighting, recessed halogen
- Locker, hanging, cedar-lined (2)
- Storage, rod lockers (2), with horizontal rod racks
- TV, LED, flat screen
- AC, AM/FM CD/DVD with two speakers

Head

- Solid surface countertop with undermount sink
- Vanity with storage
- Toiletry ss storage cabinet, framed with mirror doors
- Head, Sealand Vacuflush electric
- latches, positive, cabinet doors and drawers
- Shower Stall, with automatic shower sump pump
- Exhaust blower
- Holding tank monitoring system
- Towel Rack
