**STANDING RIGGING REPLACED**

**NEW WINDLASS**

**NEW MIZZEN & GENOA**

**NEW REFRIGRATOR**

**NEW RAYMARINE DEPTH, WIND & SPEED**

**And Much More...**

---

## Accommodations

Descending the companionway stairs to starboard is the U-shaped **GALLEY**. This area offers the cook a fair amount of counter space, tons of storage, a deep stainless steel sink for cleaning dishes, a Force 10 stove/oven and a nice size refrigerator/freezer.

Directly across to port is a large **L-shaped Counter Top** offering a great work space with numerous drawers and cabinets. This is a great space for laying out charts, repairing equipment or storing tools.

The **MAIN SALON** is very roomy, bright and well ventilated. If your lounging on the settees or dining at the double leaf table this space is welcoming and comfortable. The port settee opens to make a double berth, while the starboard settee is a single. There is storage below, behind and above the settees.

Continuing forward and to port is a **VANITY** with a stainless steel sink and storage above and below the counter top.

Directly across from the vanity is the **HEAD** and shower area.

The **Master Cabin** offers a large V-shaped double berth with a large overhead hatch for ventilation. To port is a very large set of six drawers and a large hanging locker is to starboard.
