STEERING SENSATIONS The new generation of Dufour sailboats promises to bring you thrills.

In line with our expertise, we have developed a high-performance, balanced hull for maximum control and incomparable steering finesse. Unrivalled seafaring qualities without compromising on ease of movement or mooring comfort.

The meticulous layout of deck spaces, the immense rear transom, the many sunbathing areas and the famous outdoor galley with griddle and sink will ensure wonderful moments of togetherness on board.

The Dufour 390 hull sports softened and elevated rear bilge and a slightly rounded stem. This design boosts stability and increases interior volume for the perfect compromise between performance, ease of maneuvering and comfort.

The Dufour 390 is available in three layouts: L-shaped galley with two or three cabins and two bathrooms or, exclusively, a long galley with three-cabins and three bathrooms.

The large deck hatches and many portholes ensure each room on the boat is bathed in light. Ventilation is optimized with many carefully positioned openings.
