Stock #202806 -

If you are in the market for a motoryacht, look no further than this 1974 Concord 54 Pilot House, just reduced to \$39,500 (offers encouraged).

This vessel is located in Fort Pierce, Florida and is in need of some work. She is also equipped with twin Detroit Diesel engines that have 3,000 hours.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [SellBoatsAndRVs \[dot\] com](http://SellBoatsAndRVs.com) to learn more.

This listing has now been on the market a couple months. Please submit any and all offers today!

Reason for selling is her partner backed out and the project is too big for her alone.

At POP Yachts, we will always provide you with a TRUE representation of every vessel we market. We encourage all buyers to schedule a survey for an independent analysis. Any offer to purchase is ALWAYS subject to satisfactory survey results. Contact us for a free BoatHistoryReport report on this vessel. We pay upfront for a report on every vessel possible, and we provide this peace of mind to our buyers at no charge and with no commitment. All you have to do is ask!

Take a look at ALL *271 PICTURES*** of this vessel, AND A VIDEO, on our main website at [POPYACHTS DOT COM](http://POPYACHTS.DOT.COM). We appreciate that you took your time to look at our advertisement and we look forward to speaking with you!**

Condition

Seller advises that most everything works on this vessel and that all it needs is be painted, bottom painting, refitted and some carpentry work. The power steering isn't working right, thought to be an air bubble. Basically just cosmetic work. She is a project boat with much of the projects almost finished. The current owner has owned her about a year, she had a partner in this project who backed out and she does not want to continue.
