Stock #308229 -

Chaparral boats are known for strong marine designs and interiors that showcase the details and beauty of quality materials.

The 216 is a stainless steel package and the stainless gleams in the light and highlights the safety features and structure of the boat.

This bowrider seats 11 and has a U-Shaped aft seating area with storage underneath. The swim platform has a flip-up bolster allowing a firm walk through to the deck. The bolster also provides the back to a swim seat and then folds down to an aft sun pad that is spacious. The marine vinyl is firm and attractive.

There are two pedestal cockpit seats that adjust. The stitching is patterned in multi-colored panels and in the best condition, no wear is seen here and brings value to the overall package of this Chaparral.

The bow area is seated with well-cushioned marine upholstery and is highlighted with beverage holders and stainless grab bars. There is a draining storage box in the v of the bow.

The boat comes with a cockpit and bow snap-in covers and is stored on a lift at a freshwater lake in North Carolina. The hour meter reads 466 hours.

Easy to use and easy to cruise, make an offer today to own a beautiful Chaparral and it is ready now or when your season starts boating.
