Stock #311046 -

Regals FasTrac hull design sets itself apart from others in its class by providing better handling and performance as well as increased fuel economy.

It also allows for a wider front bow area for better seating without giving up performance. This combined with the 2100's sleek design and Volvo Penta V8 make its possibilities endless.

With built-in GPS and engine monitoring as well as many additional features the captain will be in full control while enjoying the roomy and comfortable interior.
