**Stock #315372 -**

**The Funchaser built-in Waycross Georgia by Carolina Skiff is designed to be a Salt Water version of the Pontoon boat on steroids.**

**It starts with an all fiberglass catamaran type hull with a flat deck like a deck boat. Wrapped with a fiberglass shell and supported by stainless steel rail, supports, and latches. This is not your ordinary pontoon/catamaran/deck boat. All aspects are designed to withstand the corrosion properties of salt water.**

**This is the fishing version with two live wells, and cup holders, in addition to toy storage for skis and other fun playthings.**

**There is also a flip-up changing curtain that allows you to get into or out of wet clothes for a fun day on the water. There is also a porta-potty that makes it easy to stay out for the whole day.**

**You can spend all day on the water. Grill out, eat at a nice table and listen to your favorite tunes while cruising, relaxing, or fishing.**

**Gas shocks on all the hatches make it easy to get into and out of the storage.**

**LED lights make it easy to dock when your day drags on to the late afternoon or evening.**

**This boat has full covers always on it when not in use and then stored indoors.**

**We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.**

***Please submit any and ALL offers - your offer may be accepted! Submit your offer today!***
