Condition

This 2020 Tahoe 2150 is in very good condition and has 445 hours on her.

The boat just needs a good washing. The hull appears to be in good condition with some scratches from use, but nothing major, and no nicks or dings in the fiberglass.

Everything except the horn works on the boat per the seller.

The interior appears to be in very good condition as well, including the upholstery, all gauges, and the bimini.

Of course, we always recommend that any buyer inspect the unit or have it independently surveyed to confirm the unit's condition before purchase.
