No. of Engines:	2

Excellent opportunity to own a super clean 2005 Carver 56 Voyager! This beautiful Pilot House Motor Yacht shows very well! She has very low hours on the Volvo Penta D12 Engines and professionally maintained. Once you step onboard, you will notice the beautiful synthetic teak swim platform and deck. Stepping into the large open one level salon and galley, you will notice how roomy and spacious she would be to entertain family and friends. You get a warm feel with the vinyl wood flooring, ultraleather sofas, cloth blinds, and wood cabinetry. You will also notice the large u shaped seating area with dining table. There are three staterooms, with a full beam master which has an island queen berth, separate head, shower, tub, and washer/dryer. The forward VIP also has a full queen berth and private access to the day head. The third stateroom has two single bunks. There is a raised seated pilothouse with a captain's door to starboard to get out on the deck. This 56 Voyager also has a huge flybridge for entertaining. Getting to the bridge is easy with the interior access door or the cockpit steps. Once up top, you will notice the large u-shaped seating and table, wet bar, grill, open back for portable chairs, and double wide lounge. An added bonus is the bow/stern thruster, and hydraulic swim platform.

Exterior Features

- Cockpit table
- Bow thruster
- 23kW generator
